Hawai'i-Pacific Evaluation Association

Mission: To foster a culture of excellence and ethics in evaluation in the Pacific region by improving evaluation practices and methods, increasing evaluation use, promoting evaluation as a profession, and supporting the contribution of evaluation to the generation of theory and knowledge about effective human action. Our goals are to

- Promote the exchange of information by maintaining a website with information on grant notices, contractual and/or collaborative opportunities, job openings, links to conferences and workshops, and other local evaluation news;
- Promote communication and discussion among evaluators in the region by maintaining a listserv of our membership (similar to the listserv maintained by AEA's Evaltalk);
- Increase skills and knowledge by providing opportunities for professional development, e.g., conferences and workshops; and
- Provide opportunities for networking and collaboration.

2009-2010 membership dues are \$30 (\$15 for students).
