

**Social Services – Education – Community Development**

**Are you a legislator, program  
administrator or analyst?**

**Do you know how well your program or policy is working?  
How to fix it?**

**Do you know: Outputs? Outcomes? Impact?**

**Evaluations are planned during policy and program design and start when  
a program begins...not after it ends.**

**Learn why and how from expert evaluators.**
